5) In the first place, all the 19 officials referred to by the Municipal Commissioner, Davangere Municipality, should pay Re 1/- each, being the prescribed fee for grant of exemptions from the operation of the rules of recruitment

6) Secondly, the proposal has not been submitted to Government through the Distt Officer, viz, The Deputy Commissioner, Chitaldrug as also through the Public Service Commission since the proposal involves a deviation from the rules of recruitment

7) From a perusal of the statement enclosed it is seen that the communities of the candidates appointed and their dates of birth have not been noted The minimum qualification required for these posts is a pass in the P S Examination or V Form course being class II III posts except the candidates numbers 4, 8 and 17 of the statement all others are unqualified

8) Sriyuts Nariappa, Rama Rao and Basaiah (numbers 1 2 and 3 of the statement) were in the inferior service They have now been promoted to superior service without proper authority

9) On the whole, all the 19 appointments have been made without reference to rules All these posts should, therefore, be registered, classified and filled up according to rules after advertisement and such of the incumbents as are qualified may also apply when the posts

posts are advertised and take their chances along with other

The officials numbering seventeen cannot be held responsible for the personal error either in regularising their appointment or forwarding their applications. All these formalities may be got regularised even now. The question about observing them as regular Nutsarees, to which they have already been promoted may have to be sanctioned with the concurrence of the Executive Secretary, and of course, the observance of the public service Commissioners will be kept in view while making such promotions & appointments in future. If any action is taken as suggested by the public service Commissioner, the Hon'ble Minister that these officials will be put to will have to be taken into consideration and a sympathetic view seems to be necessary.

From the statement (flag 'B') available in the file, it is seen that out of 19 only 8 candidates possess the qualificatio required for class III posts in superior service the minimum qualification required for these posts being a pass in the M S examination or V form course These appointments in Davangere City Municipality are not exempted from the operation of the Rules of Recruitment Under the existing Rules of Recruitment, these posts should be registered classified and filled up after advertisement through the P S Commission But in the special circumstances of the case and in view of the report that any dis-location made at this stage in the existing arrangement would not only cause hardship to the individuals concerned but also upset the collection work of the Municipality the services of these men may be continued as a special case by regularising the action taken in this behalf This may be submitted to the Hon'ble Minister for Revenue also

Agreed. The Statement shows that promotions of these appeals from inferior to superior service have been made long ago by the Davangere Mplty ranging 5 to 7 years or even more in the case. If these people have to be reverted now by regularising classifying advertising the vacancies and affording new candidates there will

7746/mc 1876/E

be lot of hardship and discontent among these officials and the work of the Municipality may also suffer by diverting these trained hands. So this question of Superior Service may be viewed as a special case thus regularising the action taken by the Development Officer in the observation that such action on the part of the Officer was irregular and should not be repeated

Sir,

Subject - In the matter of granting exemption to Sriyuts D Thriyappa, K Ramarao, and Basavaiah for having promoted them from appointments of inferior service to the appointments in superior Cannanore service and for ratifying the action of this Municipality in having entertained local candidates in appointments reserved to be filled up under G O B dated

I write to state that out of the marginally noted 19 appointments pertaining to this City Municipality, 3 vacancies were utilised for purpose of promoting Sriyuts D [illegible] and Basavaiah, peon, in vacancies of Cetroi [illegible] utsed 1, Bill-Collector and the attender (now designated as compounder) attached to the Municipal Ayurvedic Dispensary, respectively, with a view to give them promotion on account of their long standing service and experience in this Municipality soon after the conversion of this Municipality from Town into City Municipality with effect from 1st January 194 , additional posts of Bill Collectors and Cetroi [illegible] were created to cope up with the increased and additional work devolved in the Cetroi and Revenue branches as a result of the levy of Cetroi duty on additional commodities and the levy of assessment on house and land under taxation rules newly framed under the City Municipalities Act

1	Bill Collectors posts	7 vacancies
2	Cetroi Sheggar	1 vacancy
3	Cetroi Outsaddies	2 vacancy
4	Cetroi Peigaet	1 vacancy
5	Compounder attached to the Municipal Ayurvedic Dispensary	1
6	Sub registrar of Births and Deaths	1
		19

Under the rules, sanction of Government is required to

promote officials in inferior service to vacancies in superior service and to entertain local candidates in the newly sanctioned posts and their continuance for years together without throwing the posts for being filled up under the rules of recruitment. All these vacancies come under the category of III Class appointments requiring a minimum educational qualification of at least a pass in the Middle School examination, as fixed in G.O. No. 879-982 A & P.S./63-47-2 dated 30th April 1948. For the reason that the action taken by this office to fill up all the 19 posts is not in conformity with the standing orders, the officials so appointed can neither now be confirmed, nor promoted to any other posts, unless their appointments are regularised and ratified with the kind approval of Government.

This aspect of the question was considered by the Municipal Council at its meeting held on 6-1-1951 and it was resolved that Government be requested to accord their approval to regularise these appointments. A copy of the resolution of the Municipal Council is herein enclosed for favour of reference.

I enclose herein a consolidated list of officials (whose promotions and appointments require to be regularised) furnishing therein, information in regard to their date of entry into service, General Qualification and the pay they are drawing etc.

I am to state that these officials have since gained experience of office work and deserve to be confirmed in their respective appointments. I may add that any dislocation now at this stage in the existing arrangement would upset the collection work of the Municipality. It is considered necessary to continue their services to regularise the action already taken in this behalf.

I request you, therefore, to kindly obtain approval of Government to the resolution of the Municipal Council for regularising the appointments.

Yours faithfully,

Municipal Commissioner,
Davangere City Municipality,
